We are proud to present the ultimate in Mobility Freedom.

With the Elite Mobility Scooter you have the absolute freedom of using a strong durable mobility scooter which is also portable. This scooter folds down to a simple level and it can easily fit into just about any vehicle.

With the addition of a DELUXE seat and EXTRA foot base this scooter is an excellent buy.

The Elite Mobility Scooter is one of the fastest selling mobility products in the UK. With its powerful 400w motor and easy to use controls, the Elite Mobility Scooter is a must for all people who require mobility help.

The new Elite Mobility Scooter is a revolutionary design from the worlds leading scooter manufacturer. We believe it is the most user-friendly portable mobility scooter on the market!

The Elite Mobility Scooter will provide many years of mobility for you.
