Dual Motor Rise and Recline

Our most popular model the Executive Rise and Recline chair offers you the ultimate in home comfort.

The Executive Rise and Recline chair is available in three colours (Dark Brown, Light Brown and Bordeaux)

The Executive Rise and Recline chair is supplied with Dual Okin motors, enabling the user to operate the recline function and leg raise function independently. The quiet reliable motors allow the user to achieve multiple independent comfortable positions.

The Executive Rise and Recline chair is supplied with the stylish waterfall back design giving even further support to the back and neck sections.

There is a battery back up system which enables the chair to be raised and lowered at least 3 times, in the event of a power failure.

A simple easy to operate 2 button hand-set enables the user to raise and lower the chair independently
